Certificate of Non-Use of Conflict Minerals

Dear Customer:

Thank you for your recent request concerning conflict minerals in products supplied by Innovative Circuits. Innovative shares your concern about the use of natural resources to fund armed conflict in the Democratic Republic of the Congo and is fully committed to compliance with applicable laws and regulations.

Based on Declarations of Non-Use of Conflict Minerals obtained from our suppliers we hereby declare that, to the best of our knowledge, the products supplied have been designed and manufactured in compliance with the Electronic Industry Code of Conduct. Furthermore Innovative Circuits pledges to only source from environmentally responsible suppliers and requires the following from each.

1. Guarantee of Non-Use Conflict Minerals
2. Immediate reporting of any conflict minerals used in supplied material.
3. That our suppliers undertake commercially reasonable due diligence with their supply chain to assure that minerals used in the supplied materials are not sourced from mines in conflict areas.

If you have any questions or require additional information regarding Innovative Circuits policy on conflict minerals, please do not hesitate to contact me.

Best Regards,
